

## WORK DAY AT THE HAZEL OUTDOOR DISCOVERY CENTER SATURDAY, SEPTEMBER 8 9:00 AM TO 1:00 PM

Join volunteers from the **Lower Shore Stewardship Institute (LSSI)** to help remove invasive plants and groom the trails at the 500+ acre Hazel Outdoor Discovery Center (HODC) in Eden, MD. The LSSI is a partner-based environmental stewardship program jointly operated by the Nanticoke Watershed Alliance, the Lower Shore Land Trust, and the Wicomico Environmental Trust. Funding is provided by the Community Foundation of the Eastern Shore.

Volunteers will be provided with lunch at noon (hot dogs, veggie burgers & more), and will be invited to stay for a campfire afterwards. Please wear long pants and close-toed shoes, and bring your own rake, pruners, loppers, and work gloves.
