

Spring Rain Barrel Workshop

Saturday, April 13 from 10:00AM-12:00PM

*Dorchester
Citizens
For
Planned
Growth*

At the workshop, you will:

- put together your own 65-gallon rain barrel or purchase a finished barrel.
- learn how to install, maintain, and winterize your rain barrel.
- learn how to connect multiple rain barrels.
- learn how to paint your rain barrel.
- understand why installing a rain barrel can save you money, reduce flooding, and reduce pollution entering your local waterways.

\$55 per rain barrel for members of DCPG or NWA partner organizations

\$65 per rain barrel for general public

Please register by calling Beth Ann Lynch at 443.366.3741 or by emailing beth5846@yahoo.com and tell her if you'd rather put together your rain barrel or prefer a finished barrel.
