

SAFETY GUIDELINES: CONTACTLESS TREE DELIVERY

1

MAINTAIN SOCIAL DISTANCING

It's okay to ask questions and be friendly, but please maintain at least 6 feet of distance between yourself and our delivery driver.

2

WAIT 4 DAYS

COVID-19 mainly spreads from person to person. However, we ask that you do not touch the trees for at least four days to avoid putting yourself in contact with the virus. PLEASE WATER THE TREES DAILY UNTIL THEY ARE PLANTED

3

WASH YOUR HANDS

While planting the trees, avoid touching your face and be sure to thoroughly wash your hands afterward.

4

STAY INFORMED

Read the news and get updates about the virus on the from the World Helath Organization. Don't put yourself in harms way to plant the trees.
